Thank you Teacher Mama
For takin' good care of me.
You are my Mom away from home
During school each day you see.
You're teaching me how to read,
How to add and subtract,
And oh so many other things
Like how I'm 'posed to act!
You doctor my skinned knee,
Give me Kleenex for my nose;
You tell me, "Wash your hands,
And button up your clothes."
You always remember my birthday,
Make me feel really special too!
Sometimes you take me on fieldtrips
To the park or to the zoo.
You praise me when I'm good.
When I'm not, sometimes you fuss.
You're teaching me the importance
Of honesty and trust.
Thank you Teacher Mama
For giving me a good start,
For taking such good care of me!
I love you with all my heart.
