### What You Can Expect

- Chapters will submit an order for membership certificates through the KDP Store in advance of the initiation—order 2 weeks before the initiation date. You have the option of having certificates printed by the Store with your new member names—FREE! When placing your order for certificates, enter in member names, institution name, and initiation date right online. *No more trying to find a printer or wasting certificate stock on misprints or paper jams!*
- If you still want to print your own certificates, be sure to order a few extras in case the printer jams. The new foil seal may cause issues in some printers. A new *Certificate Template* for the placement of the information is available in the Chapters, Resources for Download section of the Web site.
- Chapters will be permitted to trade in old certificates for new ones. Just ship them to KDP Headquarters, and you will get a coupon code to use for new certificates. *No extra charge to replace your old certificates with new ones; just pay shipping costs!*
- Members can order replacement certificates directly through KDP for \$10 (includes shipping costs). *Replacement certificates will have signatures of current KDP leadership.*
- New certificates will have gold foil seal and have signatures only of Executive Council President and Executive Director. Chapters wishing to have an additional certificate with their Chapter President and Counselor will have to order the *Society and Chapter Membership Certificate Package* from the Store.
