

Dear _____,

I am a member of Kappa Delta Pi, International Honor Society in Education (KDP). I love belonging to this prestigious society, because a community of educators can accomplish incredible things together. I would love for you to be a member, too!

I love being connected to so many other teachers! The educators in KDP understand and share the challenges teachers face. Our connections make all of us stronger in working together to make a difference in our classrooms and in our communities.

I love the funding opportunities! KDP provides grants to PreK-12 teachers to help with classroom expenses. Funding is also available for KDP events, scholarships for all levels of students, stipends to participate in service projects with your students, and more.

I love the community! Through KDP Global, an online community for members, I can connect and collaborate with education students, higher education faculty, teachers, administrators, mentors, and more.

I love the resources! From teaching strategies, to career resources, webinars, and articles, you won't find higher quality resources than through a membership in KDP.

I love the opportunities to make a difference! Members have opportunities to write for publications, present at events, participate in service projects, serve in leadership roles, and develop curriculum for training to encourage other educators.

Last, but not least, **I love the history of KDP and the vision for the future!** KDP has over 100 years of history working with some of the greatest educators of all time. The goals of KDP have not changed since then, but the field of education has. KDP is focused on one thing: helping facilitate **quality learning for all** by bringing teachers together.

Members of KDP are taking education into the future, and you don't want to miss out on being part of the movement. **Now—more than ever—is the time to join KDP!** Join today by going to <http://bit.ly/kdp-apply>. See you in KDP!

Don't forget to give them my name _____

and my member ID _____.
