AAA University, America, US Graduation May 2004
Bachelor of Science in Elementary Education Cumulative GPA 3.98/4.00
State Teaching License: General Elementary Education 1–6 (non-departmental 7/8)
Kindergarten Endorsement

Experience

Student Teaching:

City Public School #91, City Public Schools January to April, 2004
4th, 5th, and 6th Multi-age Montessori Classroom

- **Team-taught** a group of 40 students. The students were divided and spent every other day in my classroom, which focused on Language Arts and Science.
- **Planned and implemented** a Nutrition and Fitness Unit that included planning and cooking a balanced meal, doing an exercise video, and completing a Web Quest on healthy habits.
- **Differentiated instruction** in Literature Circles for all three grade levels, focusing on literary analysis.
- Guided children through the **writing process** using various creative writing assignments.

CCC Kindergarten Academy, Township Schools August to December, 2003
Kindergarten

- Implemented a **student-led project** on instrumental music, which culminated in the students' creation of their own marching band. This project incorporated patterning, musical styles, writing, reading, guest speakers, and movement. An Open House for the parents showcased the children's learning.
- Used interactive writing to allow the children to write their own version of *The Gingerbread Man*.
- Took **anecdotal records** of the children's actions during center time and journal writing.

Practicum Experiences:

CCC Kindergarten Academy, Township Schools February to April, 2003
Early Childhood Methods

- Executed activities based on the **Reggio Emilia Approach**.
- Experimented with several different methods of **authentic assessment** including time sampling, checklists, and audio taping.
