# ABC's of Classroom Management

This alphabetical guide will help you:

- motivate the unmotivated,
- avoid homework hassles,
- deter bullying,
- manage tattlers,
- maintain order with hand signals,
- make smooth transitions,
- reduce time spent on paperwork, and
- prevent power struggles.

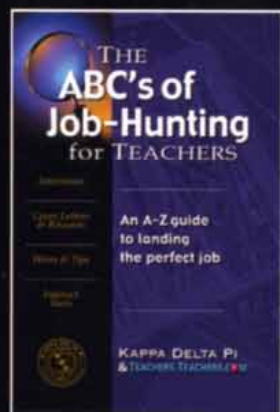

Equip yourself with the ABC's broad repertoire of expert strategies to develop classroom expectations and manage student behaviors.

Find expert tips and samples inside:

- Bibliotherapy list
- Syllabus for problem-solving 101
- Sample newsletter
- Environment checklist
- Field trip checklist
- Parent-teacher conference checklist
- Family science night guide
