

# *So to* **TEACH**

Inspiring Stories that Touch the Heart

Teachers need constant fuel to help stay motivated and engaged in their teaching. This treasure trove of personal stories about teaching and learning gives meaning to an educator's professional career. These heartfelt stories inspire and refresh, and remind teachers how they make a difference.

"The stories here—written by teachers—remind us that no teacher is alone in the hard work, frustration, or joy of teaching."

—Nel Noddings
