

How will you help your new teachers succeed?

Encouraging and shaping successful beginning teachers requires personal support and professional development in **big** and **small** ways— from induction programs to a welcome note from the teacher across the hall.

Often the little things make a big difference. *New Teacher Advocate* is one of those little things: **a small periodical (16 pages); small price (as little as \$5 per subscription*)**. Yet it's **big on effective strategies especially for beginning educators**.

Help your new teachers succeed with this award-winning publication! Call **800-284-3167** to order *New Teacher Advocate* today!
