

Volunteer Position Description: Online Course Tester

Purpose: To work through new online courses and provide clear, specific, well-organized, and constructive feedback meeting specific criteria in the evaluation of KDP online courses.

Reports to: Online Learning Coordinator

Length of Commitment: 1 to 3 months, as needed

Meetings: None

Expectations: Test 1 or more course per year, as assigned by specific deadlines

Desired Qualifications and Attributes:

- Teachers within their first 5 years of teaching
- Educators serving in roles such as new teacher induction, coaching, and mentoring new teachers
- Prior experience taking online courses (preferred)
- Willingness to be candid and specific about strengths and weaknesses, and effectiveness of courses

Key Responsibilities:

- To test new online courses for functionality, appropriate level of and choice of content, and effectiveness of online pedagogy
- To direct comments to course developers that help in strengthening the effectiveness of courses

Contact the Staff Liaison only if you have specific questions about the position.
