

## INTERNATIONAL SCHOLARSHIP PROGRAM

Kappa Delta Pi is pleased to offer a variety of scholarship opportunities available for multiple levels of study including undergraduate, graduate, doctoral, and practicing educators. The annual scholarship cycle is conducted from January through June of each year with the application submission deadline in April.

Scholarships are established as donor-advised endowment funds with the corpus of each fund existing in perpetuity to generate interest. Annual earned interest is then designated to offer as an award for each individual scholarship opportunity. To learn more about the scholarship program and how you can establish a named scholarship through Kappa Delta Pi contact Chris Beaman, Director of Advancement & Communications, (800) 284-3167 or [Chris@kdp.org](mailto:Chris@kdp.org)
