

Request for Scholarship Reviewers

Volunteers are needed to serve as application reviewers for the KDP International Scholarship Program.

This review is a competitive non-biased process that relies on the expertise of KDP members who serve as application reviewers. A minimum of 3 reviewers will score each application through our online portal using an established rubric.

KDP Scholarship Reviewer Criteria

Kappa Delta Pi strives to balance the composition of the review panel based on geographical location and industry experience. If you are a good fit for this opportunity according to the position requirements listed below, please let Kristen know you would like to serve as a reviewer.

Position Requirements:

- Active KDP members only
- Five years minimum experience working in a professional setting at the K–12 or higher education level.
- Not currently seeking an undergraduate degree.
- Available to dedicate 4–8 hours to review applications between May 11 –June 1.
- Comfortable conducting the review process online, using the rubric provided by KDP.
- Willing to donate your time as a volunteer and understand that there is no monetary compensation for your time served as a scholarship reviewer.
